## PLACEMENT SECTION

### REGISTRATION FORM – OPTING IN CAMPUS PLACEMENTS 2022 BATCH

Placement Section aims to provide placement assistance for all the students graduating in academic year 2022. These guidelines and policies are framed to ensure equality and fairness of opportunity to all the placement opted students. All the students opting placement through the Placement Section shall abide by the guidelines and policies prescribed in the undertaking form below.

To avail the opportunities I am committing to abide by the following,

1. I will participate in all the activities organized through/by Placement Section, which will include
  - a. Placement Drives (off/on campus)
  - b. Placement Training Classes
  - c. Preparatory/ Technical Training Classes
  - d. Assessment Tests (online & Offline)
  - e. Any other activity arranged by Placement Section
2. I will regularly update Placement Section on all information with respect to
  - a. Updated % of marks & examination results
  - b. Contact Details
  - c. Any additional information pertaining to placement.
3. I understand that I will be regular and punctual to all the training classes whenever it is scheduled (late evening/weekend). On failing to do so, I am responsible for my actions and answerable when questioned.
4. I assure to maintain 100% attendance in all placement activities & if I am absent for 3 classes/Tests continuously my parents will meet the department faculty placement coordinator to discuss about my absence.
5. I ensure that I will successfully complete the daily assignments & tasks given by Placement Section, failing which I may be debarred from training & placement activities.
6. If I am absent for a scheduled placement drive, it is my responsibility to inform the Placement Section well in advance about the reasoning for skipping the drive. I understand that on failing to do so I may be barred from the successive drives to be conducted by the Placement Section.
7. I am aware that in case if I fail to deliver on my commitments made above, I will not be eligible for any placement support from placement Section.
8. I am also aware that one student-one core/specialization offer is the Placement policy of PSG College of Technology.

Students found adopting any unfair means during a recruitment drive will be debarred from participating in the recruitment process of the company and also for the next 10 companies even if he/she has applied to and/or is shortlisted.

Students, withdrawing or underperforming after being shortlisted by a company at any stage will be debarred from placements.

After every campus placement drive the students participating shall enter the necessary details of the placement event in a feedback form provided irrespective of the success and failure in order to improve our placement process.

If a student is found to be absent in 2 consecutive ON/OFF campus recruitment without valid reasons/letter from the parents, he/she will be debarred from placements.

Student should not ask for the reasons for not being selected from the companies. Companies decision is final.

I confirm that I have read the above guidelines carefully. I will abide by all rules and regulations of Placement Section and accept that the decision by the Placement Section will be final.
